In re the Matter of:)
) Administrative Order 92-9
RECLASSIFICATION OF THE)
POSITION OF CHIEF DEPUTY)
CLERK OF THE SUPERIOR COURT)

A memorandum of July 7, 1992, to the Clerk of the Court from the County Administrator stated that at the direction of the Board of Supervisors the position of Chief Deputy Clerk of the Superior Court had been placed on a pay scale apart from the pay plan of the Judicial Merit System for Yuma County. The Board of Supervisors is without authority to change salaries of court personnel without the approval or direction of the Court, and, therefore, the directive is without effect.

The Clerk of this court has advised the court that her earlier request to reclassify the position of Chief Deputy Clerk to grade 27 of the Judicial Merit System has been reconsidered, and the Clerk requests the position be reclassified at grade 24, effective July 1, 1992.

It is ORDERED:

1. Administrative Order No. 92-6, reclassifying the position of Chief Deputy Clerk of the Superior Court at grade 27,

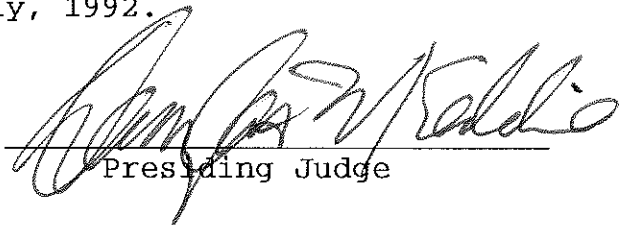

1 is vacated.

2 2. The position of Chief Deputy Clerk of the Superior Court
3 is reclassified at grade 24 of the Judicial Merit System pay
4 plan, effective July 1, 1992.

5 3. Marie Douglas, Chief Deputy Clerk of the Superior Court,
6 is placed at grade 24, step 1, of the Judicial Merit System pay
7 plan, effective July 1, 1992.

8 4. The Board of Supervisors shall take that action
